## Starfish Learning

Each week we base our Monday morning learning on the story of the Starfish.

Each letter of Starfish stands for a quality, which we want our children and adults at Inkersall to have. We also have a Starfish assembly on a Monday morning where we think about how we can show these qualities in all that we do, not only in our school but also within our community.

**One giant leap for Year 2!**  
 Year 2 are using the Oliver Jeffers space theme book 'The Way Back Home' as a stimulus for their work this term. The children were very excited to receive their own copy this week!

In Science pupils have been thinking about sound and how this travels to help the boy in the story make himself heard. They had fun investigating this!
