What a fab half term we've had!

Wow, what a busy term this has been! It has been fantastic to see the children embracing our SMART pact in all areas of school. A big thank you to all parents for your continued support, which has included attending SMART assemblies, supporting the various end of topic presentations, signing up to Class Dojo and all of the positive comments which are great to hear. Have a super holiday children, parents and staff and see you all on Monday 30th October!

You've got to aim high and see where you land.

Football Team News

This week the football team travelled to Brookfield School for the 'Chesterfield Schools Football Finals'. The team started the tournament with three excellent victories winning, 3-0, 2-0 and 5-0. They demonstrated excellent attacking football as well as a resolute defence. In the fourth game despite more exciting football, the team couldn't open the scoring and the game finished 0-0.

This left the team with one final game to go. After another tightly fought contest, Brockwell scored with almost the last kick of the game. This meant that Inkersall finished third overall in the tournament.

I was incredibly proud of the team's performances throughout the evening. The boys represented Inkersall Primary Academy exceptionally well and Tom Griffiths picked up the Spirit of the Games Award for his excellent sportsmanship and fair play.
