GROW Curriculum Map Autumn 1 2018

Our Curriculum encourages us to continue to grow by...

G Give time to work collaboratively, deepen learning by valuing talk and asking relevant questions.

R Reading to explore and discover new learning and skills.

O Opportunities for adventures and to learn about the world around us, using a range of resources.

W Wellbeing of each

Maths

As **Mathematicians** we will explore the place value of numbers up to 100. We will read and write numbers in numerals and words. We will identify number sequences and explore number patterns. We will use concrete, pictorial and mental methods to add, subtract, multiply and divide numbers. We will recognise, find, name and write fractions.

English

As **readers and writers** we will explore the story Eliot Midnight Superhero. We will listen to, discuss and express views about poems and stories. We will draw on what we already know and background information to make inferences about stories. We will develop positive attitudes and stamina for writing by writing character profiles, stories and poems. We will develop our understanding of punctuation and sentence

Wellbeing

As **healthy individuals** we will explore the importance of exercise, eating the right amount of different types of food, and hygiene.

We will discuss and share our emotions in a healthy and constructive manner.

Key Questions:

Why is Elliot so special?

Why do superheroes make the headlines?

Who is your favourite superhero and why?

What is the soundtrack to a superhero?

What makes an awesome super hero?

Where in the world do superheroes go?

What makes a real life superhero?

How do you make a super hero film?

What materials make an incredible cape?

GROW Curriculum Map Autumn 1 2018
Year 2

Global and Cultural

As **explorers of the world** we will use world maps, globes and atlases to identify the UK and other countries, continents and oceans. We will name and locate the world's 7 continents and 5 oceans.

STEM

As **Scientists** we will work scientifically to perform simple tests and recognise that questions can be answered in different ways. We will identify and compare the suitability of a variety of everyday materials.

As **technicians** we will design a purposeful, functional and appealing healthy snack. As part of this process we will select and use a range of tools and equipment. We

Arts

As **creative artists** we will use a range of materials and techniques to share our ideas, experiences and imagination. We will use our new skills to design and create a comic strip for our superhero stories.

Computing

As **digital learners** we will use technology purposefully to create, organise, store, manipulate and retrieve digital content. We will use technology safely and respectfully and understand the importance of staying safe online.

Branching Out

17th October—Visit from Adam Pepper to create our superhero films.
