

The Lion, The Witch, and The Wardrobe

# GROW Curriculum Map Autumn 2 2018

Our Curriculum encourages us to continue to grow by...

**G** Give time to work collaboratively, deepen learning by valuing talk and asking relevant questions.

**R** Reading to explore and discover new learning and skills.

**O** Opportunities for adventures and to learn about the world around us, using a range of resources.

## Maths

As **Mathematicians**, we will continue to embed our understanding of the four operations - addition, subtraction, multiplication and division - using the formal written methods. We will be looking at problem solving and reasoning involving the four operations. We will also look at fractions, decimals and percentages. In the first week of De-

## Wellbeing as healthy

**individuals**, we will be taking part in sporting activities such as gymnastics and team activities .

We will continue to follow the STARFISH values.

We will continue to look at equal rights, equal opportunities and British values.

## Literacy

As **read-**

**ers and writers**, we will be covering a variety of text types. We will take an adventure through the wardrobe to the land of Narnia.

We will be writing a description of the setting of the magical land and characters that we will meet.

We will write diary entries as the evacuees, who have found themselves, in Narnia and help them to solve dilemmas.

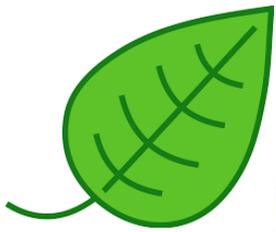

We shall use persuasive writing to argue whether the White Witch has a rightful claim to the throne.

## Key Questions:

- What was evacuation?
- Why were children evacuated?
- How has Britain's standing in the world changed over time?
- What is democracy ?
- Who was Henry Moore?

# GROW Curriculum Map

## Global and Cultural

As **explorers of the world**, we shall learn how Britain's changed over time within the Commonwealth and the British

Empire.

We will look closely at the historical and geographical causes of the World Wars and how this impacted on the outcomes.

## Computing

As

**digital learners**, we will be using the latest apps to develop our skills. We will also use our 4D immersive environment for the children to create their own learning journey on iPads to share with oth-

## Arts

As **crea-**

**tive artists**, we will use music to create moods and suspense linked to characters in the story. We shall look at the works of Henry Moore and recreate our own charcoal and pencil pictures.

## STEM

As **Scientists**, we will learn about the circulatory system; how diet affects our bodies; how to keep fit and

## Branching Out

Home learning will be given out every day to be completed and brought back the next day. It will be a 10-15 minute task. Hegarty maths is set on a Friday due in the following Friday.

Friday 30th November: Christmas Fair

Tuesday 11th December: Pantomime

Friday 14th December: Year 6 Trip to Chatsworth House 'Once Upon a Time' house tour and
