Welcome Back!

I hope that everyone had a lovely Christmas holiday. It's great to be back at school and this week we have started our brand new themes and been introduced to our new books. The children have been hooked straight into their learning with a delivery of mysterious eggs in Year One, seagulls taking the Year Two lunch boxes and children in Year Four have been creating pictures which reflect the mood in their new book. Please have a read of your child's GROW map to find out what your child is learning about this half term. GROW maps can also be found on our school website. We look forward to seeing lots of you in school this half term.

Reading with our Parents / Carers

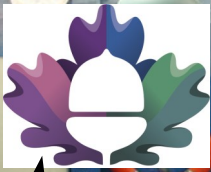

Thank you so much to all the grown ups that came in to read with the Year 4 children on Thursday. The children loved reading stories, sharing their new theme book and the milkshake and cookies! Next Thursday, we look forward to inviting in the Year 6 parents.

NSPCC Number Day

On the 1st February, we will be helping raise money for NSPCC by joining in with schools around the country to celebrate, 'Number Day.' To help raise lots of money for this charity, we would like to create a 20p trail around the school using 20p's donated by the children. Children can also come to school dressed in something with a number or shape on it, for example, spotty socks or a football shirt.

The PTA Valentines Disco takes place on. 13th February in the Infant Hall.

Tickets will be going on sale from the 21st January.

Tickets cost £4, which includes a drink and snack. We look forward to a fabulous disco with lots of dancing!
