Changes to the behaviour system.

This term we are having a real focus on celebrating all of the SMART behaviour within school and as a result have made a few changes to the systems. In assembly this week, all the children heard about the changes to the system. All parents will receive a letter all about the changes.

We hope the changes will encourage all the children to demonstrate our SMART pact on a daily basis.

One of the changes will be to our Friday GROW assembly.

Now in each class, there will be one GROW award for a pupil who has made academic progress and a new SMART award for a pupil who has demonstrated SMART behaviours all week. We look forward to seeing who will be the first winners next week.

Scooters and bike

A polite reminder that scooters and bikes should not be ridden on the playground before the start of school. If a child brings one to school they should walk them to the racks,
