Next week is Global and Cultural Week and each class will be learning more about a country taking part in the this summers World Cup Tournament in Russia. Children will be learning more about each county's geography, culture and traditions!

## Enterprise week

This week, the children have been busy designing and creating their own products to sell at the PTA Summer Fair next Friday. We are so excited to set up the stalls and to sell our products. The class who makes the most amount of profit will be awarded a prize. Please come along and support the children and the PTA who have put in so much hard work and effort to ensure that the fair is a huge success. Finger's crossed the sun shines!

## Classes for September 2018

We are busy preparing the classes for next year. As part of these preparations, will have reorganised the children into new class groups. This will help the children to make new relationships, an important skill, especially when our children leave to go to Secondary School. The adults in school have spent a lot of time placing the children in a class which will give them the best chance to succeed, as we know that happy children who enjoy being at school and make brilliant progress in their learning.

If you have any concerns about this, please come and speak to myself, Mr Mercer or Miss Davies.

## Sports Afternoons

Thank you so much to all the Parents, Grandparents, Aunties and Uncles that came along to watch the Sports Afternoons. It was fantastic to see the children taking part in so many activities, both competitive and as part of a team! The children had a great time and I think the adults did too!

## Breakfast Club!

Don't forget school is now running a Breakfast Club

from 8:00-8:45am each morning.  
£1 per day.

Please collect a letter from the office!
