Happy First Birthday to the Inkersall Primary PTA

The PTA have been up and running for a whole year; a year full of fantastic fund raising and events. In 2018 they raised a total of £13,428.00.

Due to their success, the PTA have now registered as a charity. They have purchased the playground tables, cricket tops, funded the Year 6 prom last year, bought prizes for events, the smarties and Easter eggs. They have run numerous disco's, cash for clothes, provided refreshments at Christmas, sold ice pops, had a Halloween sale, packed bags at Morrisons, run summer and Christmas fairs, funded enterprise week and Christmas crafts and completed raffles. The team have also been working behind the scenes to apply for grants for school, writing policies, completing risk assessments, organising events and obtaining prizes.

In the near future, keep an eye out for the completion of the infant playground and a personalised sports competition kit. There are also many more exciting events being planned; the Valentines disco, sponsored Easter bunny bounce, cash for clothes, summer fair and lots more.

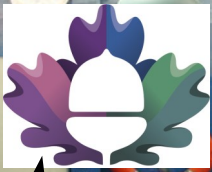

The PTA would like to thank all parents, grandparents and volunteers who have helped at events, all teachers and students for the amazing effort they have put in to making items to sell at events and finally all parents who support all our events. I, personally, would like to thank all of the PTA members and parents who help support and organise the events. The children and adults in school really appreciate all of your hard work and contributions.

If anyone has any ideas of events they would like to see run please contact the PTA via their email address inkersallpta@hotmail.com.

Well done on a fantastic first birthday; here's to another brilliant year!
Mrs Bailey.

Just a reminder that on 1st February we will be helping to raise money for NSPCC by making a 20p trail around the school grounds. The children can also come wearing non-uniform; clothing with shapes, spots or numbers would be fab!

The PTA Valentine's Disco takes place on 13th February in the Infant Hall.

Tickets will be going on sale from Monday 21st January.

Tickets cost £4, which includes a drink and snacks.

We look forward to another fabulous disco with lots of dancing!
