

GROW Curriculum Map All Creatures Great

g small

Our Curriculum encourages us to grow

G

Giving time to each other, working collaboratively by talking and asking questions.

R

Reading to explore and discover new learning and skills.

O

Opportunities to learn about the world around us, using a range of resources.

Literacy

As readers and writers we will be looking at the features of fiction and non-fiction texts. As well as a traditional Christian tale from the Bible. We will write our own descriptions and make list of facts about some animals and creatures.

Understanding the World

As explorers we will discover what animals need to live and their Life Cycles. We will look after the vegetables and flowers in our EYFS garden. We will also learn about Noah's Ark, a well know

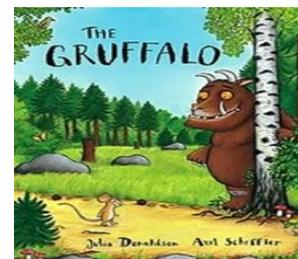

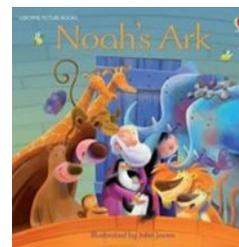

Branching out

We will continue to have P.E. on Tuesday and Friday. Please ensure your child has the correct kit in school and that each item is clearly labelled. Please also ensure that earrings are removed on these days.

8th June Enterprise week

25th June World Cup Week F2 Spain

Books

Mathematics

As mathematicians we will be consolidating our work on adding and subtracting by counting on and back to find the answer, before learning how to order objects by length or height. We will also be looking at the properties

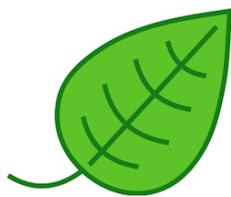

Expressive Arts and Design

As imaginative artists we will discover the different technologies we can use to make animal homes and shelters. We will also practice our control when using simple tools by cutting and chopping fruit and vegetables. We will also design and make masks and models of

22nd June F2 Sports Afternoon

Friday 6th July - F2 Trip to The Butterfly House

GROW Curriculum Map

Our Curriculum encourages us to grow

G

Giving time to each other, working collaboratively by talking and asking questions.

R

Reading to explore and discover new learning and skills.

O

Opportunities to learn about the world around us, using a range of resources.

Key Questions

Who is Noah?
What is an Ark?
What does a Gruffalo look like?
What does the Gruffalo like to eat?
Who will we see at The Butterfly House?

PSED

As unique individuals we will be working with our friends to follow and understand the rules, talk about our own and others behaviour. We will also discuss different ways in which we can negotiate and solve problems without aggression.

Physical Development (Moving and Handling/health and independence).

As dextrous learners we will continue with our Outdoor sports/Games scheme of work, which we will showcase on our Sports day. We will discover how to stay healthy by discussing what a healthy diet looks like and tasting lots of healthy food! We will also be learning how to ride our balance bikes and stay safe when out in the community. We will practise our motor skills using both large and small tools and equipment.

w/c June 25th Sports week—lots of activities to try out. Please come in sports gear every day.
