

The Lion, the Witch and the
Wardrobe.

GROW Curriculum Map Spring 1 2018

Our Curriculum encourages us to continue to

G Give time to work collaboratively, deepen learning by valuing talk and asking relevant questions.

R Reading to explore and discover new learning and skills.

O Opportunities for adventures and to learn about the world around us, using a range of resources.

W wellbeing of each

Maths

As **Mathematicians** we will be comparing, ordering and rounding numbers in tens, hundreds and thousands. We will develop our rounding skills to be able to estimate answers.

Wellbeing

As **healthy individuals** we will discuss healthy eating and the availability of food now and in the WW2.

In PE we will be develop-

Literacy

As **readers and writers** we will use GROW to develop our inference, retrieval and word understanding skills. We will create diary entries in role as one of the four children. We will prepare poems and

Key Questions:

- What was an evacuee during the WW 2 ?
- What do you think will happen next to Lucy in the story ?
- How is Edmund's experience different to Lucy's ?
- How would you describe the setting of Narnia ?

GROW Curriculum Map

Global and Cultural

As **explorers of the world** we will describe and understand key aspects of physical geography including climate zones.

We will study WW2 as a significant turning point in

Computing

As **digital learners** we will have a 4D experience of snow and ice exploring our feelings about living in this climate.

We will be researching WW2 and climate change using the internet.

Arts

As **creative artists** we will look at the work of famous artists who produced winter landscape paintings and then improve our mastery of art

STEM

As **Scientists** we will understand that environments can change and that this can sometimes pose dangers to living things..

As **technicians** we will create light for Mr Tumnus' house by creating circuits incorporating switches and bulbs.

Branching Out

Our next parents evenings will be on Tuesday 6th and Thursday 8th February between the times of 3.30pm and 6.30pm.

You are invited to a maths mastery workshop on 14th February from 9.30 - 10.15am to be held in classrooms.
