Anti-Bullying Policy

May 2021

Introduction

At Inkersall, we aim to provide a safe, caring and friendly environment for all pupils and staff. We believe that all children and adults have the right to feel safe, valued and anxiety-free, and that everyone has a personal and corporate responsibility to ensure this right is honoured.

Our SMART expectations encourage children to understand, explore and value the individual differences of each stakeholder and instil good behaviour choices. We expect pupils to act safely and feel safe in school, to have an understanding of issues relating to bullying and to be confident that they can seek support from school should they feel unsafe or anxious.

We aim for parents to feel confident that their children are safe and cared for in school, and that any incidents that do arise are dealt with promptly and thoroughly.

The anti-bullying policy has been formulated with input from pupils, who have contributed to its development through the school council and through class discussions during our 'Anti Bullying' week. This resulted in the creation of a child friendly anti-bullying policy.

Definition of Bullying

Bullying can be defined in a number of ways. At Inkersall Primary Academy we follow Department for Education (DfE) guidance which defines bullying as: “Behaviour by an individual or group, usually repeated over time, that intentionally hurts another individual or group either physically or emotionally”. (DfE September 2007).

Bullying is not the same as teasing or a falling out between friends. With bullying, there is a deliberate intention to hurt or humiliate another. There is a power imbalance, which makes it hard for the victim to defend themselves. It is usually persistent. Occasionally, an incident may be classed as bullying even if it was an isolated event, if it fulfils all other descriptions of bullying. This possibility should be considered particularly in cases of cyberbullying. If the victim might be endangered, then intervention is urgently required.

Bullying can be:

- Emotional – being unfriendly, excluding, tormenting (hiding books, threatening gestures);
- Physical – pushing, kicking, hitting, punching or use of any violence;
- Racist – racial taunts, graffiti, gestures;
- Sexual – unwanted physical contact or sexually abusive comments;
- Homophobic – focussing on the issue of sexuality;
- Transphobic – focussing on the issue of gender;
- Verbal – name calling, sarcasm, spreading rumours, teasing;
- Cyber-bullying – misuse of email and internet chat rooms, threats by mobile text messaging or calls, misuse of camera and video technology.

Reporting and Responding to Bullying

Children are encouraged to report any concerns involving themselves or others to a trusted adult, either directly, or via class support structures, to be followed-up by their class teacher. Parents should report any concerns directly to the class teacher via the 'notes' section in their child's planner, personally or via the telephone if you are unable to have a face to face meeting.

Procedures for investigating and resolving incidences of bullying

Academy staff will discuss the nature of the bullying with the victim at length, recording all the facts; identify the bully/bullies and any witnesses; interview witnesses; discuss the incident(s) with the alleged bully/bullies; confront them with the allegations and ask them to tell the truth about the situation/incident.

Make it clear that it is only an investigation at this point; if the bully owns up, make it understood that bullying is not acceptable, and what affect it has on the wellbeing and education of the victim and the rest of the children in the class or school, apply sanctions relevant to the type of bullying.

If the allegation of bullying is denied investigate further.

if there is sufficient evidence that the bullying occurred, relevant sanctions will be applied;

hold separate discussions with parents of bully and victim

Sanctions for the 'bully' may include:

- No further action having spoken to child and parents
- Loss of break times for a fixed period
- Removal from class for fixed period of time
- Lunchtime exclusion for fixed period
- Exclusion from school for fixed period of time.

Additionally, the academy may:

- provide a Pastoral Support Programme for the victim, including in class support;
- provide a Pastoral Support Programme for the bully. This may include a Behaviour Support Programme and opportunities in circle time or in a small group to discuss relationships, feelings and the effect bullying can have on individuals.

Details of all incidents should be recorded on CPOMS under bullying and the correct sub-category heading.

Disciplinary Steps

Following the first recorded incident staff will log incident on CPOMS and warning to the child to stop bullying will be given by the teacher with the parents informed.

Following the second recorded incident staff will log incident on CPOMS and give a warning to stop bullying. A year group leader will meet with the bully's parents/carers and apply relevant sanctions.

At the third recorded incident staff will log incident on CPOMS and issue a final warning. Principal or Vice Principals to meet with the bullies parents/carers and apply relevant sanction.

At the fourth recorded incident staff will issue a fixed term exclusion with the exclusion period to be determined by the Principal and the Chair of Governors to be informed of the exclusion.

Bullying outside school premises

Inkersall Primary Academy does not accept direct liability for bullying taking place outside the school premises: however if incidents occur on the way to or from school, and both the victim and bully attend Inkersall Primary Academy, then action will be taken as if the incident had occurred within the school. This includes informing parents. Additionally, we will seek to support pupils who have been bullied by pupils from another school wherever possible.

This may include:

- talking to the pupils and parents
- talking to the Head Teacher or staff of another school, and: working with the Police and other agencies to resolve offsite issues.

Roles and Responsibilities

The Principal

The Principal has overall responsibility for the anti-bullying policy and its implementation, ensuring all staff are aware of the policy content and know how to deal with incidents of bullying. Staff ensure that all children know that bullying is unacceptable, drawing children's attention to this fact as necessary.

The Principal sets the climate of mutual support and praise for success, and therefore reducing the likelihood of bullying occurrences on the understanding that when children feel safe and valued, they are far less likely to exhibit bullying behaviour.

All bullying issues will be dealt with on the day they are brought to our attention or the following day if necessary. The Principal will keep a central log of all bullying incidents and is additionally responsible for ensuring that any necessary follow-up with involved parties takes place.

Teachers:

Teachers will take all forms of bullying seriously, intervening to stop incidents of bullying and to prevent escalation. If teachers witness an act of bullying, or an act of bullying is reported, they will investigate following the procedures set out above. Teachers will support all children in their class and establish an ethos of trust and respect for all. By praising, rewarding and encouraging children in their successes and struggles, they will work to reduce incidents of bullying.

Parents and carers:

Parents or carers concerned that their child might be being bullied, or who suspect that their child might be involved in bullying, should contact their child's class teacher immediately. Parents have a responsibility to support the school's anti-bullying policy and to actively encourage their child to be a positive member of the school.

Children:

Children witnessing bullying should report it to a trusted adult. If someone is unkind to a pupil they have a positive responsibility to report it, as the bullying behaviour may extend to others.

Strategies for preventing bullying and promoting positive behaviour

As part of our on-going commitment to the safety and welfare of our pupils, staff at Inkersall Primary Academy have developed various strategies to promote positive behaviour and discourage bullying behaviour. Useful strategies include but are not limited to:

- participation in National Anti-Bullying Week;
- Weekly PSHE lessons for all pupils
- assemblies and workshops led by Childline, community police officers or other appropriate external partners
- whole-school rewards and sanctions

Monitoring and Review

The anti-bullying policy is the responsibility of the Principal and Local Governing Body (LGB). It is reviewed every three years. All bullying incidents are logged and reported to the full meeting of the LGB each term, and analysed accordingly.

Complaints and concerns

If any parent or carer is unhappy with the education that their child is receiving, or has any concern relating to the school, the school encourages informal resolution through the class teacher or Principal. Where informal resolution is not appropriate, the Trust Complaints process may be accessed. A copy of the Trust Complaints policy can be accessed at www.satrust.com, or through the academy website.

What is Bullying?

Bullying is when children keep on being hurtful to someone over and over again and can be,

- Emotional: Hurting people's feelings, leaving people out
- Physical: Pushing, punching, kicking, spitting, biting
- Verbal: Teasing and name calling, threatening language
- Racist: Name calling and being disrespectful towards different cultures.
- Cyber: Saying unkind things by text, e-mail or media websites
- Homophobic: Saying unkind things about someone's relationship when they are attracted to someone from the same gender
- Gossiping and spreading nasty lies

Several Times On Purpose

What should I do if I'm being bullied?

Do

- TELL SOMEONE
- Ask them to STOP if you can
- Ignore them
- Walk away
- Talk to a friend
- Use eye contact and tell them to go away.

DON'T

- Do what they say
- Get angry or look upset
- Hit them
- Think it's your fault
- Hide it

Speak To Other People

What if I see someone else being bullied?

- Tell an adult straight away.
- Don't try and get involved – you might end up getting hurt or you could end up in trouble yourself.
- Don't stay silent or the bullying will keep happening.
- Comfort the person who is being bullied. Reassure them that it isn't their fault and tell them to speak to someone
